

AIOH GOLF EVENT

The Presidents Cup

This years' golf event of a four person ambrose for the prestigious Presidents Cup will be held at the Gold Creek Country Club approximately 15 km north of Canberra. The event has been sponsored by the GCG Health. Safety and Hygiene consultancy group and our thanks go to them for their ongoing support.

Male and female delegates and trade exhibitors including their partners are encouraged to play. The aim is to bring together golfers of all abilities for some friendly rivalry and fun on a great golf course. Participants do not need an official or social golf handicap as the Callaway scoring system is used to determine the winning group.

The signature holes of this Bruce Devlin designed championship layout course are the short par 3 7th and the long par 5 14th where the views of the Brindabella Ranges are breathtaking.
