

American Board of Industrial Hygiene Examinations

Advice has been received from the ABIH that the next certification examinations have been confirmed for Sunday 3rd December 2006 at the Surfers Paradise Marriott Hotel on the Gold Coast. This is the Sunday prior to the Annual AIOH Conference for 2006.

Details of how to apply for the examinations can be obtained from the ABIH website at www.abih.org. The deadline for submission of an application is 1 August 2006 however prospective candidates are advised to apply early as it sometimes takes an extended period to have academic qualifications confirmed.

The Australia Institute of Occupational Hygienists plays no role in the acceptance of candidates for the examinations and thus all enquires should be made direct to the ABIH at the numbers available from their website. Enquires of a general nature as to the examination day process etc can be made to the Chief Examination Proctor Dr Brian Davies on Tel: 02 42280197 or email: aehs@w150.aone.net.au
