Tick if certification approved under another IOHA recognised scheme through means other than resitting examination. (Include proof of certification). There is no requirement to complete the rest of this form.

Certification Maintenance (CM) worksheets are due by March 1 of the year immediately following the end of the 5 year cycle or, as early as September 1 of the last year of the cycle. Worksheets postmarked after March 1 must be accompanied by a late fee (current fees are detailed on the AIOH website).

You can provide additional information on supplementary sheets or reproduce this form available at the AIOH website at http://www.aioh.org.au/documentation_register.asp

COH: 40 CM points must be accumulated over the five year reporting period.

A minimum of 10 CM points must be accumulated in Category 4 in core occupational hygiene areas (refer Section 4 below) within a five year CM cycle.

Refer to the document "Categories for Accruing Certification Maintenance Points" at <http://www.aioh.org.au/downloads/documents/CatAccurCertMaintPnts.pdf> for further information.

There is no ceiling on the number of CM points that can be accumulated in any one year
