Evolution,
Insights
Into Impacts

ANNUAL SCIENTIFIC CONFERENCE AND EXHIBITION

Call for Presenters & Abstracts

Venue: International Convention & Exhibition Centre Sydney (ICC)

Continuing Education Session: Saturday 29th - Sunday 30th November

Conference: Monday 1st – Wednesday 3rd December

The AIOH25 organising committee invites abstract submissions for the annual conference, themed **‘Evolution, Insights into Impacts’**.

This conference serves as the premier platform for professionals, researchers, and industry leaders to share insights, advancements, and best practices in occupational hygiene and worker health protection.

We encourage submissions from individuals within and beyond the occupational hygiene profession, including those in allied fields who can contribute fresh perspectives on enhancing workplace health and safety.

Presentation Formats

Authors may submit abstracts for one of the following presentation formats:

Presentation

In-person delivery as part of a CES session, plenary, or concurrent session. Presentations are to be supported with a full paper.

Poster

Display of research findings throughout the conference.

Abstract Submission Guidelines

- Abstracts must be 300 words or less and should align with the conference theme
- Abstracts should include a structured summary of the presentation, including headings such as Background, Methods, Results, and Conclusion
- All abstracts must be submitted via the electronic portal

Join us in shaping the future of occupational hygiene sharing your knowledge and expertise at AIOH25. We look forward to receiving your submissions.

AIOH25 Conference Organising Committee
